-----------------	------------------	------------------	--

On a grand scale and practically designed residence commands your attention from the moment you walk through the front door. From the first moment you'll be impressed by the wide entrance & a free flowing floor plan. Hosting seven bedrooms, four bathrooms, plus extra toilets, you won't have to share a thing. The grand scale open plan living, kitchen, dining and a huge under covered entertainment area provides a great living space for the whole family. Downstairs also features a grand garage that could house up to 20 - 30 cars, with a permit to work from home this space could be turned into many kinds of businesses. Stepping outside is where you will find a large level backyard on a 4,074m² block of land, complete with a low maintenance backyard. Extras include drive through portico, remote control garage with extra space for a workshop, three phase power, laundry with ample storage, gas fire place and split system heating/cooling.
