 Merimbula Realty

Infinitely desirable, grandly luxurious and perfectly positioned, these architecturally designed and custom built residences are the epitome of coastal living. This impeccably designed townhouse provides a serene retreat from the outside world.

This brand-new townhouse presents a premium opportunity for buyers, set in the highly sought after Long Point Peninsula of Merimbula and being walking distance from three of the most popular beaches in town, Middle Beach, Bar Beach and Short Point.

Built to the highest quality and most sublime aesthetic and using quality materials, fittings and finishes to create an impeccably beautiful home. Features include custom kitchens, a combination of hardwood and porcelain tiled floors, and reverse cycle air-conditioning.
