Merimbula Realty

Sitting high on the hill and enjoying the mesmerizing views over the lake and mountains beyond is this two level townhouse with 3 bedrooms and 2 bathrooms. With only 3 townhouses in the complex and sitting back from the road they are exclusively sitting on this perfect plot of land.

Upstairs is the open plan kitchen and living opening onto a deck which enjoys the magnificent views. The main bedroom is positioned perfectly on this level too to be able to peacefully lie in bed and take in the uninterrupted lake views. A spacious bathroom is located next to the main bedroom. Downstairs there are a further 2 bedrooms, 2nd bathroom and laundry.

One of the bedrooms downstairs opens to a small fully fenced private courtyard which can also be accessed from the side of the townhouse to the grassed area at the front. Lock up garage with internal access. Plenty of off street parking. A real gem.
